

## UNDERSTANDING FRACTURED ROCK GROUNDWATER

A presentation by Dr. John Suen

JANUARY 20, 2009, 5:30 – 6:30 p.m.

Board of Supervisors Chambers, Mariposa County Government Center

### EVERY MARIPOSA COUNTY RESIDENT SHOULD SEE THIS PRESENTATION!

How much water flows under our foothills? How does it get to your well? Unravel some of the mysteries of Mariposa's water with Dr. John Suen, a CSU Fresno Professor. We'll explore Mariposa's groundwater during this fun and informative exploration.

Dr. Suen is an expert in groundwater and a leader in groundwater studies in the Sierra foothill communities. He is a knowledgeable presenter with a relaxed and humorous style. You'll be entertained while learning valuable information about our shared and precious resource: **water!**
